In the early fall of 1944, 'Em' Morgan, at that time coach of the Pasco High School football team, conceived the idea of a football jamboree. His plan was to bring the six teams in the Yakima Valley together for a pre season preview, thus giving the fans a chance to see all the schools in action and giving the coaches an opportunity to try their men under fire.

The '44 and '45 Jamborees were held in Kennewick and quickly proved the merit of Mr. Morgans idea. This year, the Richland High School 'Bombers' play host to the valley teams in the 1946 renewal of the Football Jamboree. This meeting is sponsored by the Richland Junior Chamber of Commerce and all proceeds go to the Columbia High School Athletic Fund.
