To the Alumni of Columbia High

I hope by the medium of this article I shall be able to partially express my pleasure in welcoming the alumni back to Columbia High for its Annual Homecoming. The present student body has worked hard in the hope that you, the alumni will enjoy the Homecoming celebration.

We are indeed grateful to former students who started the Homecoming activities and gave us the basic principles to follow for this celebration. We honor our alumni for their achievements and the traditions which they have set up for our school. We are proud of our alumni for winning the Valley Basketball Championship, for their star track teams and excellent football teams.

It is my personal hope that the alumni return this year and enjoy our Homecoming. That next year we, the present Senior Class, shall return and enjoy the next annual homecoming to a greater extent, and so on through the years.

With these thoughts in mind I would indeed like to say "Welcome Home, Alumni!"

CECIL MORRISON
A.S.B. President

I would like to welcome Col-High's own graduates as well as our Kennewick guests. I feel that the enthusiasm of the Student Body will spread to our alumni in this Homecoming Event.

I wish to thank the committees who carried out our plans for the game. Our principal, Mr. L. McIntosh and Vice-Principal, Mr. R. Chisholm deserve considerable thanks too for their splendid assistance.

ANDREA MOORE
Vice Pres. A.S.B.
