WELCOME, AND THANKS "A MILLION"

Columbia Basin Shrine Club extends to you a hearty welcome to this, it's second annual Columbia Basin Shrine Benefit Football Game. It conveys to you its sincerest thanks, and also the gratefulness of the hundreds of crippled kiddies now being cared for in the Shrine Hospitals for Crippled Children throughout the world. We both are in your debt for your support and kindness in subscribing to this event.

Every dollar realized from the proceeds of this Shrine Benefit Football Game will be used to swell the fund for the operation of these free, non-sectarian temples of mercy.

We use the word "free" in its strictest sense, in that the staffs and facilities of these hospitals are available only to those unfortunate youngsters who otherwise, through lack of funds, would be sentenced for the rest of their lives to "being different" than their schoolmates, business associates and friends by reason of their crippled limbs. The term "non-sectarian" is, too, a well selected description. The Shrine Hospitals recognize no bar to admission because of race, creed, color or nationality. The simple requirements for admission are but four: being a child under twelve years of age, inability to pay, reasonable hope for curability, and space available.

While the game is in progress look at the youngsters entertaining you on the gridiron, both players and cheer leaders, boys and girls. Look at those on the benches awaiting their turn to "do their all for Dear Old" Consider, if you will, that there are thousands of children in this country alone who will never be able to hope for the opportunity to compete in any strenuous sport. This for the reason that, because of the lack of wherewithal, they cannot hope for relief of their little crippled arms, legs or bodies.

For these of God's children are the Shrine Hospitals.

It is to the end of supplying the necessary hospitalization for as many of these underprivileged kiddies as is possible, and to this end only, that Shrinedom has dedicated its total effort. And now you too, in heart, are one with us, in that you have seen fit to share our pleasant duty by helping us in the financial success of this event.

Thank you. . . . Thank you very much.

Columbia Basin Shrine Club.

THEY ALL THANK YOU

THE CALL TO AID the crippled child has never been more imperative. The humanitarian service must be given when necessity requires. Polio epidemics have increased the need.

Your generous contributions by buying tickets help to make useful able-bodied citizens out of crippled babies, and whatever number of tickets you purchase, the money goes to benefit the crippled children from the Tri-City area.

You may be well assured that those benefited will ever be grateful.

Your kind support in their behalf of this Second Annual Football Benefit by the Columbia Basin Shrine Club is most deeply appreciated.

EARL LUDWIG
